

Monthly Safety Meeting

Each year, the Federal Aviation Administration (FAA) recognizes aviation professionals for their contributions to general aviation. John Boatright (our FAASTeam Program Manager) will travel all the way from Lubbock, Texas to present awards to H.-P. Schuele and Steve Waddell. H.-P. won the District FAASTeam Representative of the Year Award and Steve won the District Aviation Maintenance Technician of the Year Award. For the rest of us, Mr. Boatright will present a lesson on energy management entitled "Way to Go Einstein." It will be entertaining and educational, so come help honor our outstanding aviation professionals. WINGS credit will be awarded to attendees.

Directions: Drive to 1801 9th St, Wichita Falls.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
